

# Priority Call

With Priority Call, you can list up to 15 callers you want to give priority to – people whose calls you think are important or you look forward to receiving. Store a list of numbers, and a unique ring alerts you when these people call.

## To Activate

Follow the instructions in the recorded message.

## To Cancel

## How to use Priority Call

- Make a list of 15 different numbers you want to have identified with a unique ring.
- To create or change your Priority Call list, simply lift the receiver, press **\*61** and follow the recorded instructions.
- If you also have Call Waiting, your Priority Calls will be identified by a special tone if you are on another call.
- To cancel Priority Call, lift the receiver, press **\*81** and follow the recorded instructions.
- Priority Call works with most local and some long-distance numbers within your area.

## For Rotary Phones

If you are using a rotary-dial telephone instead of a touch-tone phone, dial **11** in place of the **\*** key. For example **\*61** is **1161** on rotary phones.

Available in most areas. Some restrictions apply.
